

# University of Pretoria Yearbook 2016

## BScHons Real Estate Real Estate (12242016)

**Duration of study** 1 year

**Total credits** 131

**Contact** Dr M Burger [michelle.burger@up.ac.za](mailto:michelle.burger@up.ac.za) +27 (0)124203111

### Programme information

A student is required to attend lectures diligently, but in addition it is recommended, to work at least 480 hours part-time for a suitable employer in the building/construction industry. It will be expected of students to keep a logbook on the prescribed template.

Also refer to G Regulations G.16 to G.29 and G.54.

### Admission requirements

The admission requirements must be read together with the stipulations of the General Regulations.

A person shall not be admitted as a candidate for the degree unless he or she:

- (a) is a graduate of the BSc in Real Estate degree of this University; or
- (b) is the holder of any three-year bachelor's degree of this or any other university recognised for the purpose by the head of department as equivalent to the BSc in Quantity Surveying degree of this University; or
- (c) has in any other manner attained a level of competence which in the opinion of the head of department is adequate for the purpose of admission.

### Additional requirements

Selection is based on an applicant's academic record and experience. Applicants may be required to attend an interview and/or write an entrance examination.

### Examinations and pass requirements

A minimum semester/year mark of 40% is required in order to be admitted to the examination in a specific module. In addition, all other examination admission requirements, applicable to the relevant module, must have been met.

#### Supplementary examinations

No supplementary examinations are granted at postgraduate level.

#### Special examinations

No special examinations are granted at postgraduate level.

The degree is awarded when all prescribed modules have been passed.

## Pass with distinction

The degree is conferred with distinction if students registered for the degree for the first time, complete the degree within the minimum prescribed time and pass all modules with a weighted average of 75% (excluding POU 720).

## Curriculum: Final year

Minimum credits: 131

### Core modules

#### Building cost estimation 700 (BKR 700)

<b>Module credits</b>	24.00
<b>Prerequisites</b>	No prerequisites.
<b>Contact time</b>	4 lectures per week
<b>Language of tuition</b>	Both Afr and Eng
<b>Academic organisation</b>	Construction Economics
<b>Period of presentation</b>	Year
