
University of Pretoria Yearbook 2016

MSc Technology Management (12251072)

Duration of study 2 years

Total credits 180

Programme information

The MSc (Technology Management) degree is conferred by the Department of Engineering and Technology Management.

A minimum of 128 credits is required to obtain the MSc degree. Either a mini-dissertation (64 credits) and coursework (64 credits) or a dissertation (128 credits) is included in the programme.

Unless the Dean, on recommendation of the relevant head of department, decides otherwise, the master's degree is conferred on the basis of examinations of coursework and a mini-dissertation or a dissertation (including an examination on the dissertation).

Admission requirements

Subject to the stipulations of Regulation G.54 an appropriate BScHons or equivalent degree is required for admission.

Curriculum: Final year

Core modules

[Dissertation 895](#) (ITB 895) - Credits: 128.00
