**Contact time** 2 lectures per week, 1 other contact session per week

**Language of tuition** Module is presented in English

**Academic organisation** Anthropology and Archaeology

**Period of presentation** Quarter 1 or 2 or 3 or 4

## Module content

Anthropology of money and economy

This module entails an examination of anthropological approaches to the conceptualization and study of economic institutions and processes involved in production, exchange and distribution. It studies the history and theoretical foundations of economic anthropology with an emphasis on recent approaches to the study of economic life, specifically the 'human economy'.

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
