### Module content

This module examines the nature of the state and problems associated with state-building and constitutional change in Africa; provides an introduction to constitutional concepts such as the separation of powers, federalism and decentralisation, and their application to Africa; and examines the causes of and remedies for conflict in Africa.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
