Qualification	Postgraduate
Faculty	Faculty of Education
Module credits	20.00
Prerequisites	No prerequisites.
Language of tuition	Module is presented in English
Academic organisation	Education Management + Policy
Period of presentation	Semester 1

Module content

This module enhances students' management skills by teaching them to critically evaluate and reflect on the theory and their practical experiences as individual members of a professional community. This heightens their ability to respond to classroom and school contextual challenges and to contribute to the school's transformation. The module discusses how to cope with transformation and how to contribute to the transformation of others, the self, the classroom and the school.

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
