Module content

This very unique module aims to provide insight, knowledge and understanding with regard to the self and the process of becoming a well-rounded person, an excellent educator, thinker and learner. After completion of the module, candidates will demonstrate the ability to understand and manage themselves and their classrooms, as well as deal effectively with contextual challenges in a process of ongoing evaluation, improvement and development.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
