| <b>Period of presentation</b> | Semester 1 or Semester 2                                       |

### Module content

This module aims to guide students to read existing research and especially theories in an appreciative manner. They need to identify the main theories explaining a real-world phenomenon of their choice, and to explain how the theories have been used.
