### Module-inhoud

\*Hierdie inligting is slegs in Engels beskikbaar.

In this module students will be introduced to the dynamics of human behaviour in South African society and organisations. It will explore the dynamics of interpersonal relationships, the diversity of South African culture, the impact of the political and economic history of South Africa on perception and behaviour, the current and future dynamics of human interaction and processes that affect teams, organisations, markets and society. Students will explore various methods to maximise the performance of individuals within an inclusive organisational environment.
