Module content

This advanced module makes an in-depth study of the most important theoretical issues in the analysis of foreign policy. It deals with the development of foreign policy theory, the concept “foreign policy” and the related issues of the role of the state and the agency-structure debate. It also makes an in-depth study of a variety of approaches to the study of foreign policy and in so doing attempts to prepare the student for a possible master’s dissertation on a topic related to the study of foreign policy.
