Academic organisation	Sport and Leisure Studies
Period of presentation	Quarter 4

Module content

*Closed – requires departmental selection

Biokinetics first-year level is an introductory module with the aim to orientate the student for Biokinetics as profession. In essence the module focuses primarily on the necessity of evaluation, how the tests must be selected so that they are valid and reliable, the tests that can be used for the different physiological parameters and how the data must be analysed by way of statistical methods.
