

University of Pretoria Yearbook 2017

Biomechanics III 724 (MBK 724)

Qualification	Postgraduate
Faculty	Faculty of Health Sciences
Module credits	25.00
Contact time	2 lectures per week, 1 practical per week
Language of tuition	Module is presented in English
Academic organisation	Biokinetics and Sports Science
Period of presentation	Semester 2

Module content

Advanced biomechanical methods are introduced, including three-dimensional kinematics, estimation of joint loading, and electromyography. These techniques will be applied in the analysis of sports techniques as they relate to performance enhancement and injury prevention.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
