

University of Pretoria Yearbook 2017

Excursions 320 (NEX 320)

Faculty of Engineering, Built Environment and Information Technology

Module credits 8.00

Programmes BEng Metallurgical Engineering

BEng Metallurgical Engineering ENGAGE

Prerequisites (NMP 310)

Contact time 6 practicals per week, 1 lecture per week

Undergraduate

Language of tuition Module is presented in English

Academic organisation Materials Science and Metallur

Period of presentation Semester 2

Module content

Qualification

Attendance of and participation in excursions to metallurgical operations, including a five-day excursion tour during the last full week of the mid-year recess, and six half-day visits during the semester. Assessment is based on written reports and oral presentations. The plant visits include hydrometallurgical, pyrometallurgical, minerals processing and materials processing plants.

The information published here is subject to change and may be amended after the publication of this information. The General Regulations (G Regulations) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the General Rules section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
