Module content

*NSK modules form an integral part of the coursework MA programmes and are compulsory for all students who are selected and admitted to these specialised programmes. These modules are closed and may not be taken by students who are not selected for the respective programmes.

A number of issues relating to qualitative research are addressed. At the end of the module, students should be able to engage critically with the paradigm both from a theoretical and practical perspective.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
