
University of Pretoria Yearbook 2017

Developmental psychology 767 (SLK 767)

Qualification	Postgraduate
Faculty	Faculty of Humanities
Module credits	15.00
Contact time	1 lecture per week
Language of tuition	Module is presented in English
Academic organisation	Psychology
Period of presentation	Semester 1

Module content

*Closed – BSocSciHons in Psychology only.

The module deals with the study of human development over the entire life span. Developmental Psychology supplies important background information for students who would like to become clinical or counselling psychologists. Knowledge gained by studying developmental psychology is also most valuable for parents, teachers, social workers as well as people in the health professions and in the business world or industry.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
