Academic organisation Sociology

Period of presentation Year

Module content

One of the basic tasks of researchers is to produce reliable estimates. This module reviews, explores and debates the theories, methods and techniques of gathering and evaluating large scale survey data.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
