## BA Extended programme (01130014)

**Duration of study** 4 years

**Total credits** 368

### Programme information

This programme is directed at a general formative education in the humanities. It provides the student with a broad academic basis in order to continue with postgraduate studies and prepares the student for active involvement in a wide variety of career possibilities.

### Additional requirements

Prospective students cannot apply for this study programme. The Faculty's Admission Committee determines which students will be placed in this study programme. A limited number of places are available. Grade 12 applicants who have achieved an APS of 26-29 in Grade 11 will be considered for the BA (Extended programme), based on the results of the NBT.

### Other programme-specific information

Students who are deemed to be at risk of their level of academic literacy are compelled to take ALL 110 and ALL 125.

Students who are deemed NOT to be at risk of their level of academic literacy are compelled to take language modules to the value of 12 credits from the list of language modules (see Academic literacy).

**In addition to the prescribed fundamental modules, the curriculum should be compiled as follows:**

#### **Core/Elective modules:**

##### **First year of study**

Select any 2 disciplines (subjects) at yr level 1 and do 2 semester modules from each of these disciplines plus 1 other module.

##### **Second year of study**

Select one discipline (subject) that you did in the first year and do both semesters at yr level 2.

Select any 2 additional disciplines at yr level 1 and do both semesters.

##### **Third year of study**

Select any 1 of the previous disciplines that you did at year level 1 and do it at yr level 2.

Select one of the disciplines that you did at yr level 2 and do it at yr level 3.

##### **Fourth year of study**

Select the other discipline that you did at yr level 2 and do it at yr level 3. Select any of the remaining modules you did at yr level 1 and do it at yr level 2.

The following general principles for combining disciplines in this programme prevail:

- If a discipline (subject) does not offer two semester modules per year level, students should consult the departmental head of the particular discipline regarding potential supplementing with other relevant modules.

- If any language disciplines (language subjects) are selected, the module choices that are prescribed in the language groups and in the alphabetical list of modules must be taken into account.
- A few disciplines (subjects) from other faculties may be included in this programme but the following restrictions are applicable: only two of the four first-year subjects, one of the three second-year subjects, and one of the two third-year subjects may be selected from another faculty. Only the following disciplines from other faculties may be included in the programme:
  - Biblical and religious studies (REL)
  - Information science (INL)
  - Education (OPV)
  - Geography (GGY)
  - Consult the yearbook of the relevant faculty that offers these disciplines regarding the credit values, presentation modes and possible prerequisites.
- In order to continue with postgraduate studies in a specific discipline, a student needs to do six semester modules in the discipline over the three years of study.
