Module-inhoud

*Hierdie inligting is slegs in Engels beskikbaar.

Marketing of services gives the student an opportunity to study a speciality area of marketing, which has become a necessity in the South African marketing world.

The module aims at studying important concepts of the basic theory of marketing of services with specific reference to the practical use thereof in the daily business situation. In addition the student is given the opportunity to apply the speciality area of marketing of services in practice and is simultaneously exposed to the latest developments in marketing of services.

Topics which will be handled include the difference between products and services, the expanded marketing services mix, the philosophy of service quality and the measuring of quality service.

Evaluation is in the format of short seminars within group context, progress tests, and assignments.
