<b>Period of presentation</b>	Semester 2

### Module content

This module covers the most important contemporary leadership theories and focuses on the most recent literature on responsible leadership theory, particularly in Africa. Students will be required to investigate and reflect upon the conceptual linkages between responsible leadership theory and the development practice as propounded in the modules on health sciences, social sciences and natural sciences.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
