### Module content

This course in Organisational behaviour explores the interaction between individuals, groups and organisations in the context of a rapidly changing global system. The core themes explored include corporate culture, leadership, trust, team and group dynamics, power, organisation design, managing change and interpersonal communication. To motivate people today, managers require insight into individual behaviour and attitudes that affect organisational performance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
