Module-inhoud

*Hierdie inligting is slegs in Engels beskikbaar.

The aim is to better understand and gain a feeling of trade and business in and around Southern Africa – through a practical first-hand experience by road from Johannesburg to a neighbouring country (Zimbabwe or Mozambique). The goals and objectives include the gaining of some insight into the life blood of the region: the movement of goods and services between South Africa and surrounding countries. The role of infrastructure, policy, bureaucracy and security on trade and general economic activities will be witnessed first-hand and discussed in detail – with perspectives and solutions offered and exchanged among the group.
