<b>Period of presentation</b>	Semester 2

### Module content

Strategy has become a key concept associated with organisational success or failure. Through a case method approach, this elective will provide students with a more in depth perspective of the current best practices for developing and executing strategy in the current business environment and will build on what was covered in the core curriculum. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
