Module content

The aim of this elective is to expose students to the current research in the field of general management at a local and international level. Students attending this elective will gain a deeper understanding of the opportunities and challenges of managing a business in the current economic environment. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
