### Module-inhoud

\*Hierdie inligting is slegs in Engels beskikbaar.

The subject of business valuation is central to leadership. The major learning objectives of this course will be to make students familiar with valuation methods so that they feel confident making effective financial decisions. Specific outcomes include: analysing historical performance and benchmarking; forecasting drivers of performance and cash flows; effective business modelling and spreadsheet design; estimating the cost of capital; evaluating optimal capital structure and funding decisions; alternative valuation methods (APV, WACC, Multiples); estimating synergies in mergers and acquisitions; negotiating the sale or purchase of a business; deal terms and structuring options for business transactions; leveraged and management buy-outs.
