Faculty	Gordon Institute of Business Science
Module credits	12.00
Prerequisites	No prerequisites.
Language of tuition	Module is presented in English
Department	Gordon Institute of Business Science
Period of presentation	Semester 1 or Semester 2

Module content

This course is about understanding strategy execution as a competence which can be designed, crafted and grown to provide the organisation with a sustainable competitive advantage. While strategy design is largely about making choices about products, services, markets and ways of competing; execution is about architecting and building an appropriate organisation which can make the correct strategic choices, review the progress against the goals and re-architect the organisation to the changing environment.
