Language of tuition	Module is presented in English
Department	Gordon Institute of Business Science
Period of presentation	Semester 1 or Semester 2

Module content

This elective module is ideally suited for MBA students who wish to gain insight and understanding into the application of entrepreneurial principles, attitudes, behaviours and actions within a corporate setting. Corporate entrepreneurship (or intra-preneurship) lends itself to an experiential learning style and with this in mind the elective will take on a philosophy of discovery and experimentation. Through activity, case study, action learning, and experiential assessment, this elective will help students develop a deep understanding of corporate venturing.
