<b>Period of presentation</b>	Semester 2

### Module content

The management of the natural environment with reference to sport and recreation use is explained. Facility management is studied completely as a cardinal duty of the sport and recreation manager. Sport tourism as a growing component of the industry is also touched upon from a spatial management viewpoint. (1 hour contact time per week with work assignments for the following week.)

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
