Faculty [Faculty of Education](#)

Module credits 16.00

Programmes [BEdHons Educational Psychology](#)

Prerequisites NMQ 755

Language of tuition Module is presented in English

Department Educational Psychology

Period of presentation Semester 2

Module content

Supervised research project of limited scope. Application of quantitative and/or qualitative research methods. Writing a research report and presenting a research paper in a team. Classes will be directed towards using real-life examples from educational contexts, through which students learn the theory and methods associated with various approaches to research. It will include a sound foundation in the understanding of meta-theories and the application of the philosophical underpinnings within educational research.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
