Module content

*Closed – BSocSciHons in Psychology only.

In this module a wide range of personality theories as well as a study of on human functioning in the South African context is studied. The aim of the module is to teach conception of the implications of various personality theories for human functioning. The applications are relevant in therapeutic and counselling contexts, as well as for our understanding of human functioning in everyday life. Themes pertaining to relevant current societal issues form the focus of the practical application of the module.
