Toelatingsvereistes

At least an honours degree in an academic discipline relevant to legal aspects in South Africa or Africa as well as to the contents of the specific MPhil (coursework) programme,

OR

any other qualification in an academic discipline relevant to legal aspects in South Africa or Africa as well as to the contents of the specific MPhil (coursework) programme that allows admission to a master's programme at the institution where the undergraduate qualification was obtained. If the duration of that qualification is less than four years, substantial proven practical or professional experience in legal aspects in South Africa or Africa will furthermore be required, subject to the discretion of the Dean.

A minimum average mark of 65% with respect to the prescribed modules of the honours programme is required for admission to the MPhil coursework programmes.

Where an average of below 65% is achieved, the student may be admitted on recommendation of the relevant head of department after consultation with the programme coordinator and consideration of other merits (eg relevant professional experience; the applicant's performance in undergraduate modules related to the particular MPhil; the candidate's performance in independent research essays or similar components) and/or an admission examination.

Linguistic competence, primarily in English; foreign applicants who did not complete undergraduate studies through the medium of English must show proof of competence in English at a minimum average level of 6 out of 10 for IELTS or a minimum total score of 83 in TOEFL calculated as follows: reading 21, listening 17, speaking 23 and writing 22. In any other instance where there is doubt as to the English linguistic competence of an applicant, the Dean may require the same proof as prescribed for foreign applicants.

Foreign qualifications are subject to SAQA evaluation. (Some MPhil coursework programmes or modules as indicated in the yearbook may only be available to students who hold a relevant South African qualification.)

Even though a student may comply with the above requirements, the Dean may, on the recommendation of the head of department presenting a specific degree or module, refuse to accept a prospective student for any MPhil programme if such a student's performance in the chosen modules or field of study during undergraduate study was not satisfactory. Alternatively, the Dean could set additional requirements with a view to admission.

An admission examination may also be required in respect of a particular programme or module.

Ander programspesifieke inligting

- The mini-dissertation must comprise 18 000 – 20 000 words – including footnotes but excluding the list of contents and the bibliography
- The examination copies of the mini-dissertation to send out to the external examiners must be submitted to Student Administration not later than the end of October for the Autumn Graduation Ceremony, end of April for the Spring Graduation Ceremony. A final electronic version must be submitted to Student Administration on or before 15 February for the Autumn Graduation Ceremony, 15 July for the Spring Graduation Ceremony after the evaluation of the examination copies of the mini-dissertation to comply with degree requirements.

Eksamens en slaagvereistes

In the event of having failed all modules during a particular year of study, a student will only be allowed to continue with his/her studies with the consent of the Postgraduate Committee.

Although no supplementary examination will be granted with regard to LLM and MPhil modules, the General Regulations and rules apply with regard to special and ancillary examinations.

Navorsing

The relevant head of department must recommend a supervisor and title for a mini-dissertation and these must be approved by the Postgraduate Committee. The mini-dissertation must be assessed and finalised as set out in the Faculty Board-approved LLM/MPhil Policy Document of the Faculty.

Mini-dissertations, where required, must be submitted in the format determined by the supervisor and approved by the Postgraduate Committee. The supervisor may likewise, subject to the approval of the Postgraduate Committee, also determine the research topic and the scope of the proposed research. (Refer to the [Faculty of Law regulations regarding mini-dissertations](#) and also [Postgraduate administrative processes brochure for the Faculty](#))

Slaag met lof

For the degree to be awarded with distinction a student must obtain an average of at least 75% for all the coursework modules, as well as a minimum of 75% for the mini-dissertation. The modules must have been written for the first time.

Algemene inligting

Language of tuition

The official language of tuition is English. However, should circumstances allow it, a master's module may be presented in Afrikaans. The dean, in consultation with the relevant head of department, determines the language of tuition.

Limiting of modules on offer in a particular academic year and availability to foreign students

The Dean may on recommendation of the relevant head of a department limit the number of students to be allowed to register for any MPhil programme or module. Where such limitation applies, prospective students must be informed about the limitation when they apply. Where the Dean allows such a limitation, the head of the department must, in consultation with the relevant programme coordinator, select students who otherwise comply with the admission requirements for an MPhil coursework degree, according to the following selection guidelines:

1. General academic performance in the undergraduate degree; specific academic performance in undergraduate degree module(s) directly related to the particular MPhil; and academic performance in independent research essays or similar components.
2. Any academic qualifications other than the prescribed undergraduate degree.
3. Relevant practical experience and training.
4. Diversity.
5. Whether the relevant MPhil is the applicant's first choice.
6. Where an admission examination is prescribed, the results of such examination may be considered in addition to the above criteria.
7. Date on which a complete application was received (only complete applications will be considered - incomplete applications will be set aside and will not be considered until a complete application is received).

Where applicants satisfy the criteria set out above, applicants will in general be accepted on a date-of-receipt order of preference.

Re-registration for modules

A student may not register more than twice for the same module. In order to pass a module the student must obtain a final mark of 50%.
