Department Unit for Academic Literacy

Period of presentation Semester 1 or Semester 2

Module content

The main aim of this module is to introduce students to the key principles, concepts and current beliefs about language testing and assessment, to understand the relationship between language teaching and language testing and assessment, to learn how to evaluate a test in terms of its design, use, purpose and appropriateness, as well as to interpret data derived from language tests.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
