## Case studies in tropical medicine and health 781 (CDC 781)

**Qualification** Postgraduate

**Faculty** [Faculty of Health Sciences](#)

**Module content** Six case studies that involve either clinical cases or public health cases (such as outbreaks or other public health scenarios). The cases will be presented online, one every 6 weeks, during the second year of the diploma. The scenarios will be accompanied by questions that will require desktop research and thought as well as a mastery of the materials learned during the first year, in order to answer the questions well. Each case study will be worth 5 credits and an overall mark will be provided for the six case studies. A detailed study guide will be provided online.

**Module credits** 30.00

**Prerequisites** CDS 771

**Contact time** Blended mode

**Language of tuition** Module is presented in English

**Department** School of Health System and Public Health

**Period of presentation** Year
