Psychological interventions 805 (CES 805)

Qualification	Postgraduate
Faculty	Faculty of Humanities
Module credits	40.00
Language of tuition	Module is presented in English
Department	Psychology
Period of presentation	Year

Module content

This module focuses on developing the competency of psychological interventions such as therapeutic counselling, career counselling, performance enhancement and sport for development. Interventions will not be limited to the “talking cure” but will include the use of physical activities (e.g., adventure, exercise and sport) as complementary interventions.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
