Module content

The aim of this module is to ensure that students develop an integrated approach to learning. Students will gain practical experience that links to the theoretical knowledge gained on the Postgraduate Diploma in Business Administration. Students will work in various roles to gain experience. Work integrated learning will be assessed via specific guidelines. Students will be directed and mentored to ensure the application of theoretical knowledge to work related activities. These work related activities may include on-campus and off-campus projects.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
