<b>Contact time</b>	28 contact hours per 3 week cycle
<b>Language of tuition</b>	Module is presented in English
<b>Department</b>	Gordon Institute of Business Science
<b>Period of presentation</b>	Semester 1 or Semester 2

### Module content

This module introduces students to a first principles approach to strategic thinking, and demonstrates the use of scenario planning and an understanding of the human brain as a useful method to use in complex and uncertain environments. Students will be provided with the opportunity to get hands-on experience with this approach and also share with a diverse range of case studies to illustrate how this works.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
