Module content

This module focuses on managing sustainability strategy in a difficult economic climate. It aims to engender a systems approach and a long-term-thinking approach to business decision making.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
