<b>Module credits</b>	12.00
<b>Language of tuition</b>	Module is presented in English
<b>Department</b>	Gordon Institute of Business Science
<b>Period of presentation</b>	Semester 1 or Semester 2

### Module content

This elective focuses on personal strategic decision-making as an important management skill. The learning outcomes covered will include understanding your personal leadership style; understanding the relationship between authentic and transformational leadership, and how this drives decision-making; developing insights in the advantages and disadvantages of rational and emotional processes during decision-making; gain insight in personal pitfalls, mistakes and biases and examine how these impact personal decisions. As part of this module you will also formulate a development plan towards improved strategic decision-making.
