### Module content

\*Closed – requires departmental selection

This module allows for integration of imaging and visualisation with selected Information Design outcomes. Personal approaches to conceptualisation, critical reflection, autographic style and use of media are developed to visually explore and interpret deeper levels of meaning.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
