### Module content

The aim of this module is to equip students with a thorough understanding of the way in which insurance companies are regulated and the governance principles applicable to insurance companies.

The topics covered include:

- Supervision and governance
- Insurance claims handling
- Dispute resolution

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
