

# University of Pretoria Yearbook 2019

## MSc Wildlife Management (02250510)

**Minimum duration of study** 1 year

**Total credits** 180

### Programme information

The degree programme entails a research project with dissertation. Please contact the programme manager at the Centre for Wildlife Management for the available options - Prof Michael Somers, Tel: (012) 420 6091 or [michael.somers@up.ac.za](mailto:michael.somers@up.ac.za)

The MSc degree is conferred on the grounds of a dissertation and such additional postgraduate coursework as may be prescribed.

### Renewal of registration

As long as progress is satisfactory, renewal of the registration of a master's student will be accepted for the second year of the study. Registration for a third and subsequent years will only take place when the Student Administration of the Faculty receives a written motivation that is supported by the relevant head of department and Postgraduate Studies Committee.

### General

Candidates are required to familiarise themselves with the General Regulations regarding the maximum period of registration and the requirements on the submission of a draft article for publication.

### Admission requirements

- An applicable BScHons in Wildlife Management or an equivalent qualification with a minimum weighted average of 60%.
- Admission is additionally dependent on availability of supervisor/s and/or projects within the department.

### Promotion to next study year

The progress of all master's candidates is monitored biannually by the supervisor and the postgraduate coordinator. A candidate's study may be terminated if the progress is unsatisfactory or if the candidate is unable to finish his/her studies during the prescribed period.

Subject to exceptions approved by the Dean, on recommendation of the relevant head of department, and where applicable, a student may not enter for the master's examination in the same module more than twice.

### Pass with distinction

The MSc degree is conferred with distinction to candidates who obtain a final average mark of at least 75% and a mark of at least 75% for the dissertation/mini-dissertation from each of the members of the examination panel.

Where a member of the examination panel awards a mark of less than 75% for the dissertation/mini-dissertation, that member of the examination panel must offer, in writing, support for his/her decision, or indicate in writing that he/she supports the examination committee's decision to confer the degree with distinction.

## Curriculum: Final year

### Core modules

Dissertation: Wildlife management 890 (NLB 890) - Credits: 180.00
