<b>Period of presentation</b>	Semester 1 or Semester 2

### Module content

The first component of this module focuses on major theories of reading, the relationship between reading and socio-affective factors, as well as appropriate strategies for improving reading proficiency. The second component examines a variety of ways to teach writing, and to embed it as a graduate attribute into language and disciplinary curricula.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
