### Module content

Drama and film genres This module introduces the notion of genre as part of a wider concept of narrative building and storytelling in both drama and film. Different types of genre are introduced and discussed with regard to film and drama and furthermore linked to the idea of emerging identities in contemporary storytelling. All these parts are conceptually introduced and provide an introduction to reading, interpretation and giving meaning to various discourses in film and drama narratives.

A & B: For students who enrolled for the BA Drama programme prior to 2016, as well as for students entering the BDram programme in 2016
