### Module content

This module consolidates and extends theoretical and methodological performance paradigms introduced at an undergraduate level in order to assist the student to develop a research proposal. Through an ongoing dialogical process with the facilitator the student then researches and writes an original extended research report that conforms to the requirements of a published article.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
