Module content

This module will introduce students to key concepts in popular culture studies. The module undertakes an interdisciplinary examination of popular texts such as newspapers, television, movies, graphic novels, mobile media and digital and VR culture. Students will be exposed to multimedia texts and popular discursive approaches from cultural studies, gender studies and Black aesthetics.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
