Faculty	Gordon Institute of Business Science
Module credits	12.00
Contact time	28 contact hours per 3 week cycle
Language of tuition	Module is presented in English
Department	Gordon Institute of Business Science
Period of presentation	Semester 2

Module content

This elective will introduce students to the importance of industrialisation to Africa, as well as the many challenges impacting on the necessary development of the manufacturing sector in Africa. Positioning Africa within the globalised context of developed industrialised economies and rapidly industrialising developing economies in Asia, the course uses a number of case studies to unpack the central challenges of building successful manufacturing sectors on the continent.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
