Module content

The module will evaluate the application of the latest thoughts and theories surrounding Strategic Human Resources. This elective will focus on showing students how Human Resources is supported and how it enables the business strategy which allow them to synthesize different viewpoints and develop a plan and or recommendations for effective organisational performance. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
