### Module content

The elective will introduce students to the concept of sustainable development from ethical, economic and corporate governance perspectives. The field of sustainability has grown in recent years and with more regulations being introduced across various countries the importance for managers to have understanding of this environment has grown too. The focus will change year on year depending on what the current trends are and students are advised to consult the elective manual each year for further guidance.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
