

University of Pretoria Yearbook 2020

Geographic information systems 310 (GIS 310)

Qualification Undergraduate Faculty Faculty of Natural and Agricultural Sciences Module credits 22.00 Programmes BIT Information Systems BSc Information and Knowledge Systems BSc Chemistry BSc Environmental Sciences BSc Geography BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology Paried of presentation Semester 1	
Module credits 22.00 Programmes BIT Information Systems BSc Information and Knowledge Systems BSc Chemistry BSc Environmental Sciences BSc Geography BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	ty Faculty of Natural and Agricultural Sciences
Programmes BIT Information Systems BSc Information and Knowledge Systems BSc Chemistry BSc Environmental Sciences BSc Geography BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	•
BSc Information and Knowledge Systems BSc Chemistry BSc Environmental Sciences BSc Geography BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	ale credits 22.00
BSc Chemistry BSc Environmental Sciences BSc Geography BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	rammes BIT Information Systems
BSc Environmental Sciences BSc Geography BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	BSc Information and Knowledge Systems
BSc Geoinformatics BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	BSc Chemistry
BSc Geoinformatics BSc Geology Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	BSc Environmental Sciences
Service modules Faculty of Engineering, Built Environment and Information Technology Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	BSc Geography
Service modulesFaculty of Engineering, Built Environment and Information TechnologyPrerequisitesGGY 283Contact time1 practical per week, 2 lectures per weekLanguage of tuitionModule is presented in EnglishDepartmentGeography Geoinformatics and Meteorology	BSc Geoinformatics
Prerequisites GGY 283 Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	BSc Geology
Contact time 1 practical per week, 2 lectures per week Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	ce modules Faculty of Engineering, Built Environment and Information Technology
Language of tuition Module is presented in English Department Geography Geoinformatics and Meteorology	equisites GGY 283
Department Geography Geoinformatics and Meteorology	1 practical per week, 2 lectures per week
	uage of tuition Module is presented in English
Period of presentation Semester 1	rtment Geography Geoinformatics and Meteorology
Teriod of presentation Schicater 1	d of presentation Semester 1

Module content

Advanced theory and practice of Geographic Information Systems; GIS applications; design and implementation of GIS applications. A project or assignments of at least 64 notional hours. Diverse South African examples will be used to expose the students to various data sources, geospatial analyses, and data representation to support the UN Sustainable Development Goals.

The information published here is subject to change and may be amended after the publication of this information. The **General Regulations** (**G Regulations**) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the **General Rules** section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
