### Module content

Know and apply theories pertaining to group dynamics, leadership and group functioning and how to utilise groups in decision-making, problem-solving and reaching organisational objectives. Students must understand the paradigm shifts in the development of historically disadvantaged employees and phasing in of historically disadvantaged employees in the organisation to retain and generate organisational effectiveness. Student should apply knowledge pertaining to the nature and future changes that could impact on organisations, as well as the strategies that organisations can use to address these organisational changes.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
