### Module content

\*Closed – requires departmental selection

This module is intended to equip students with a) language and research skills, academic writing, assignment writing, plagiarism, referencing, and an introduction to Musicology, and b) providing music students with knowledge and skills for optimal development as performing artists. Specific strategies for health promotion as well as the prevention of injury will be focused on. A variety of health-related topics will include: the role of nutrition and rest, dealing with stress, music performance anxiety, musculoskeletal health and hearing health.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
