Professional development in TVET 700 (PFO 700)

Qualification Postgraduate

Faculty [Faculty of Education](#)

Module credits 32.00

Programmes [PGDip in Education Technical and Vocational Education and Training](#)

Prerequisites No prerequisites.

Language of tuition Module is presented in English

Department Humanities Education

Period of presentation Year

Module content

Professional development of TVET managers and professional leadership in the TVET context from a holistic viewpoint. It integrates theoretical and practical aspects and considers both national and international perspectives. It encompasses project-based learning that requires implementation of the programme components and their integration within a context of school and workplace as well as a professional and substantiated reflection. Thus, participants will develop a professional portfolio as a valid and reliable scientific proof of learning, which should integrate all modules.

The information published here is subject to change and may be amended after the publication of this information. The [General Regulations \(G Regulations\)](#) apply to all faculties of the University of Pretoria. It is expected of students to familiarise themselves well with these regulations as well as with the information contained in the [General Rules](#) section. Ignorance concerning these regulations and rules will not be accepted as an excuse for any transgression.
